

PACTL Import Transshipment Service

货运站进港中转服务

1.Truck Transfer Services

Struggling to serve Customer Airlines with more trucking routes and frequencies for international inbound transshipment transport, PACTL introduced Angel Wing Logistics as another trucking service supplier besides Pudong Trucking. Therefore, the transfer destinations we are serving in Mainland China reaches more than 30 cities.

2. General Information

2.1 Contacts for Booking :

PACTL Transfer Desk / shift leader on duty

Tel: 86-21-68341476, 86-21-68842008*3660

Fax: 86-21-68341458

Mobile: 13621660464

E-mail :DD.Transfer@pactl.com

SITA : PVGFFXH, PVGDDXH

2.2 Booking Prerequisites

The Shanghai office of the customer airline is responsible for booking the transshipment.

Following Cut-off Times have to be observed:

A). General Cargo Booking Cut-off Time, 24 hours prior to STA of the incoming flight with the data of Import Transshipment's Transfer Declaration including correct Chinese commodity name.

B). Special Cargo Booking Cut-off Time, 72 hours prior to STA of the incoming flight or as mutually agreed. Special Cargo should only be forwarded from origin station after receiving the booking confirmation from PACTL.

C). Delivery Cut-off Time, 24 hours prior to truck departure or as mutually agreed.

D). Other special cargo shall be arranged individually. Please contact PACTL for further information about rates, existing embargoes etc

2.3 Tracking

Online tracing as well as mail and telex notice for RCF & DLV is also available to customer to know dynamic cargo status at first time. This function is integrated into PACTL APP.

For any change to above information, we will update it in time.

Please refer to our Website: www.pactl.com - service section for the latest version.
